

LOAN ENTRANCE AND EXIT INTERVIEW REQUIREMENTS

Students and parents receiving federal loan funds must complete entrance counseling prior to loan funds being disbursed. You must also complete exit counseling each time you drop below half-time enrollment, graduate or leave school/withdraw. These tasks are completed at studentaid.gov (<https://studentaid.gov/>).

Students who borrow from loan programs managed by Saint Louis University will be required to complete online entrance counseling and loan acceptance, and an exit interview with our biller, University Accounting Services (UAS). These loan programs include the Federal Perkins Loan, Federal Nursing Loan, Nurse Faculty Loan, Loan for Disadvantaged Students and the Primary Care Loan. The exit interview will be required when a student drops below half-time enrollment, graduates or leaves school/withdraws.
