

# SOCIOLOGY, MINOR

Through teaching, research and service, faculty and students in Saint Louis University's sociology program reveal a critical understanding of the ways people relate to one another through the organization of society and how its structures and cultures influence our lives.

Subject matter in sociology courses at SLU ranges from family life to large-scale organizations, from crime to religion, from the divisions of race and social class to the shared beliefs of a common culture, from poverty to prosperity, from the sociology of work to the sociology of sport.

## Requirements

Students must complete a minimum total of **21 credits** for the minor — nine credits of required coursework and 12 credits of electives.
