The post-baccalaureate certificate in entrepreneurship at the Saint Louis University Richard A. (<https://www.slu.edu/business/graduate/>)Chaifetz School of Business (<https://www.slu.edu/business/graduate/>) consists of nine credits of advanced graduate courses. The SLU certificate also includes business simulation elements and business pitch development opportunities. No prerequisite courses are required.

Admission Requirements

The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application. While an undergraduate degree is required for admission, a business background is not. Applicants must submit their:

- Completed online application (<https://gradapply.slu.edu/apply/>)
- Transcript(s) from all previously attended institutions
- 1-2 letters of recommendation
- Résumé/CV
- Professional goal statement of fewer than 500 words

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.

International students are not eligible for standalone post-baccalaureate certificates, as an I-20 cannot be issued for certificate programs alone. However, students enrolled in the Professional MBA (<https://www.slu.edu/business/graduate/professional-mba/>) program may earn a post-baccalaureate certificate as part of their degree.
