

LEADERSHIP AND HUMAN RESOURCE MANAGEMENT, B.S.

Effectively leading and managing workers is one of the critical challenges for organizations and can be the basis of sustained competitive advantage. Leaders and human resource managers foster positive interpersonal relationships and organizational cultures. Saint Louis University's leadership and human resource management major at the Richard A. Chaifetz School of Business (<https://www.slu.edu/business/>) helps students develop the skills to effectively select, develop, reward and lead others.

SLU's leadership and human resource management program has fostered my intellectual and personal growth through outstanding experiences, professors, and mentors. As I begin my career, I am confident that this program has prepared me well as a leader and professional." — Kylie Barta, Class of 2023

Students may also pursue a minor in human resource management (<https://catalog.slu.edu/colleges-schools/business/management/human-resource-management-minor/>) in addition to their chosen major.

Curriculum Overview

SLU's leadership and human resource management undergraduate program gives students experiential opportunities both in and outside of classes to enhance their understanding of interpersonal and organizational dynamics. In learning about both the technical and behavioral aspects of leadership and human resources, students will appreciate the art and science of management.

Internships

St. Louis' metropolitan location provides many internship opportunities that allow students to gain career-related work experience while applying classroom experiences to practice. Most internships are paid, and students may earn academic credit. Leadership and Human Resource Management students have recently interned with prestigious organizations in the St. Louis area and elsewhere, including Anheuser Busch, Centene, Enterprise Bank & Trust, Bonhomme Presbyterian Church and Delaware North.

Admission Requirements

Begin Your Application (<https://www.slu.edu/apply.php>)

Saint Louis University also accepts the Common Application.

Freshman

All applications are thoroughly reviewed with the highest degree of individual care and consideration to all credentials that are submitted. Solid academic performance in college preparatory coursework is a primary criterion in reviewing a freshman applicant's file.

To be considered for admission to any Saint Louis University undergraduate program, the applicant must be graduating from an accredited high school, have an acceptable HiSET exam score or take the General Education Development (GED) test.

Transfer

Applicants must be graduates of an accredited high school or have an acceptable score on the GED or HiSET.

An official high school transcript and official test scores are required only of those students who have attempted fewer than 24 transferable semester credits (or 30 quarter credits) of college credit. Those having completed 24 credits or more of college credit need only submit a transcript from previously attended college(s).

Transfer students must have a cumulative 2.70 GPA to be admitted to the accounting program and a 2.50 GPA for all other majors. In reviewing a transfer applicant's file, the Office of Admission holistically examines the student's academic performance in college-level coursework as an indicator of the student's ability to meet the academic rigors of Saint Louis University.

International Applicants

All admission policies and requirements for domestic students apply to international students, along with the following:

- You must demonstrate English Language proficiency (<https://catalog.slu.edu/academic-policies/office-admission/undergraduate/english-language-proficiency/>).

To broaden their expertise, students may complete more than one major in business, or a major and a minor in business. Outside of the Business Common Body of Knowledge (CBK), however, a maximum of one business course (3 credit hours) may be used to fulfill requirements in two business majors/minors.

‡ General electives may be selected from any area of study within the University, giving the student the opportunity to diversify their experiences. Students should consider University Undergraduate CORE attribute requirements when selecting electives.

Continuation Standards

Leadership and human resource management students must maintain a 2.0 cumulative GPA in all courses used to fulfill the major-specific course requirements.

Students will be on program probation if their GPA in major-specific courses used to fulfill major requirements falls below a 2.00. Students will have one semester to increase their major-specific cumulative GPA to a 2.00; if not, students will not be allowed to register for 3000- or 4000-level major-specific courses.

Students will be automatically placed on University probation if any of the following occur:

- Their Saint Louis University cumulative grade point average falls below 2.00
- Their Saint Louis University semester grade point average is below a 1.00
- More than two "incomplete" or two "in-progress" grades on their academic transcript

During the probationary period, advisors help students achieve academic success by closely monitoring their academic performance.

In order to improve scholastically and demonstrate their ability to make progress toward a degree, students on probation may not register for more than 12 credits in the fall and spring semesters, three credits in the winter term, and no more than one course/four credits in any single summer session term.

The conditions under which a student is dismissed from the school include:

1. Inability to eliminate probationary status within the two semesters subsequent to the assignment of probation *or*
2. A grade point average deficit of more than 15 points.

For more information, see University Academic Policies and Procedures (<https://catalog.slu.edu/academic-policies/academic-policies-procedures/>).
