

# BREWING SCIENCE AND OPERATIONS, MINOR

---

Saint Louis University's School for Professional Studies is proud to offer you our minor in brewing science and operations.

Brewing experts in the St. Louis area will teach you the scientific processes of brewing and fermentation, the engineering operations components of breweries, beer style and evaluation, the process used to manage a brewery, and how fermented beverages impact society. This online brewing science and operations minor is specifically targeted at students 21 and over pursuing an undergraduate degree in another program at SLU.

## Careers

The list of possible jobs in the brewing industry is quite extensive. Graduates with a minor in brewing science and operations will be prepared to pursue various in-demand positions in the following broad categories:

- Brewing
- Operations engineering
- Supply chain management
- Hospitality industry
- Business development
- Sales, marketing and distribution
