INFORMATION SYSTEMS CONSULTING, POST-BACCALAUREATE CERTIFICATE

Saint Louis University's post-baccalaureate certificate in information systems consulting is designed for students with a foundational background in information technology, offering advanced training in strategic IT consulting, systems analysis, and business process optimization. This SLU program focuses on developing the skills to assess organizational needs, design effective IT solutions, and implement strategies that align technology with business goals. Graduates will be prepared for consulting roles that require expertise in bridging the gap between technical systems and business objectives, enabling them to drive innovation, improve efficiency, and deliver value to organizations.

Admission Requirements

- · Completed application
- Undergraduate degree (most successful applicants have an undergraduate grade point average of 3.0 or better)
- · Official transcript from a degree-granting institution
- · Statement of purpose (about 500 words)
- · Resume or curriculum vitae
- · External reference recommendations (encouraged but not required)

Upon admission, a new student must successfully complete a virtual meeting with their academic coach to enroll in first-term coursework.

Requirements for International Students

Along with the general admission requirements above, the following must be provided by prospective international students:

- Demonstration of English Language Proficiency (https:// catalog.slu.edu/academic-policies/office-admission/graduate/ english-language-proficiency/). Some examples of demonstrated English language proficiency include minimum score requirements for the following standardized tests:
 - · Paper-based TOEFL: 550
 - Internet-based TOEFL: 80
 - IELTS: 6.5PTE: 54
- Academic records, in English translation, for post-secondary studies outside the United States. These must include the courses taken and/ or lectures attended, practical laboratory work, the maximum and minimum grades attainable, the grades earned or the results of all end-of-term examinations, and any honors or degrees received. WES and ECE transcripts are accepted.

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
