Medical and Recreational Marijuana: In 2018, the State of Missouri legalized the medical use of marijuana (19 CSR 30-95). In November 2022, the State of Missouri passed a ballot initiative to amend the State Constitution to legalize the purchase, possession, consumption, use, delivery, manufacture, and sale of marijuana for personal use for adults over the age of 21. However, the possession or use of marijuana remains an offense under the Controlled Substances Act, a federal law. Saint Louis University is obligated to comply with all federal laws and regulations. In order to remain in compliance, Saint Louis University will not permit the possession or use of marijuana on-campus, or at University-sponsored events, regardless of age, and will not permit the possession or use of marijuana at educational or other activities sponsored, conducted, or authorized by Saint Louis University or its Student Organizations, whether on or off campus, in any on-campus housing, or in any other SLU buildings or other property. Any Student who uses or possesses marijuana on-campus, regardless of age, will be referred to the Office of Student Responsibility and Community Standards. The Department of Public Safety (DPS) will confiscate and dispose of any marijuana found on campus belonging to Students under the age of 21. The Department of Public Safety will confiscate marijuana found on campus belonging to Students over the age of 21 for a period of no longer than 48 hours. Students over the age of 21 may request to retrieve their marijuana from DPS during this time period insofar as they secure an off-campus location to store their marijuana.
